Significant Activity for the month of January, 2023

Awareness cum demonstrations on usage of Drones in Agriculture

RASS-Krishi Vigyan Kendra, Tirupati has conducted 12 demonstrations on Usage of Drones in Agriculture under Agriculture Drone Project, 2022-23. As a part of these demonstrations KVK has creating awareness on utilization of drones for spraying agro chemicals as alternate to manual spraying which is more laborious, time taken and costly. KVK has delivering this project in all mandals of Tirupati and Chittoor districts. So far KVK has sprayed 252 ha. of paddy, Groundnut, sugarcane, Greengram, Blackgram, Chilli, Brinjal and Mango. The details as follows

S.No	Mandal	Area sprayed (Ha.)	Farmers benefitted
1	Pichatur	20	41
2	Srikalahasti	82	84
3	Renigunta	20	42
4	Yerpedu	35	71
5	Vadamalapeta	24	25
	Nindra	71	34
	Total	252	297
